

GUIDE VEST

Guides can now carry all their essentials in a self-contained vest worn over a PFD. On or off the water your gear is right at hand. Now you can choose your PFD for fit and comfort and put your safety gear into a product that has been built for it. Manufactured to our high standards we use durable mesh, reinforce every stress point with nylon webbing, use only marine rated zippers and bomb proof high tenacity fabrics. Accommodates among other items, VHS/FRS radio, flares, knife, strobe, hydration bag, dry bag, first aid kit, tow tether, note pad, sunscreen, ditch kit. Built to hold what you need when you need it.

- Light weight mesh construction with front entry, self-locking zipper for ease of use.
- Low profile cut fits contemporary PFD designs.
- Adjustable shoulders, side and waist buckles ensures a snug fit over PFD.
- Red pockets, straps, and reflective tape promote visibility.
- All straps and pockets are sewn into webbing for added strength and durability.
- Large front pockets accommodate a wide variety of gear including flares, small first aid kit or ditch kit.
- X-large rear pocket accommodates small hydration bag or small dry bag.
- VHF/FRS radio pocket with security strap, padding and lanyard provides easy access.
- Multiple knife attachment points.
- Strobe/white light attachment point high on the left shoulder.
- Integrated quick release tow belt for pig tail or tow system accommodates up to 2" belt.

Note: This product is to be worn over a certified PFD or Lifejacket. It can not to be used with manual or auto inflatable life preservers.
