

# SEA KAYAK COAMING HELD TOW LINE

**Primary Use: Coaming mounted quick release tow line. Great for long distance towing. 50 feet, shock corded, attaches around the coaming with a unique quick release.**

## INSTRUCTIONS:

### Towing

Loosen the cord lock on the bag and remove the brass clip. Place the towline around the cockpit coaming AFTER you have secured your skirt. Place the float (which is your quick release) in front of you, and the tow line around the cockpit coaming. Push the piece of tubing up against the back of the cockpit coaming to create a snug fit. Clip the brass clip attached to the end of the bag into the grab loop of the boat you are towing.

### Releasing the Tow Line

In the event that you wish to disengage from the rescue, pull the float in front of you and allow the system to pull away from around the coaming.

### Re-packing the Bag

Open the bag and simply feed the rope in at random.

### Care Instructions

Clean the rope of salt, sand and grit after use with fresh water.  
Do not store in damp conditions.  
Inspect the product for damage before and after use.  
Do not abuse or apply undue stress to the product.  
Periodically coat the snap hooks spring with light oil.  
Do not expose the product to extended hours of direct sunlight.  
Place your personal identification on the product in case of loss.

From the staff at North Water, thank you for purchasing the Sea Kayak Coaming Held Tow Line. We are sure you will be happy with it. If you have any questions contact us at [www.northwater.com](http://www.northwater.com) or see your local dealer.

### Caution

This product has been designed to enhance your paddling experience, but remember that, as with any other piece of equipment used in a water environment, it has its limitations, restrictions and potential dangers. It has been designed for use in water conditions that require experience and skill. We strongly urge against using this product if you do not possess the skills necessary to recognize the dangers of such conditions. Upon purchasing North Water equipment the purchaser/user assumes all risks of injury or damage to himself, herself, or others as well as loss or damage to any property. In purchasing/using these products (s)he agrees to hold harmless North Water Holdings Ltd., their officers, employees, agents, and representatives from any liability for injury or damage of any kind that may be suffered by the purchaser or others through the use of these products whether caused through negligence or otherwise.
